

## **GREENBROOK APPOINTS NEW COMMERCIAL MANAGER**

GreenBrook has appointed Steve Golder as the company's new commercial manager with wide-ranging responsibilities across the company's procurement, product management and stock management functions.

Steve joins GreenBrook following an 11-year tenure in a similar role at a wiring accessories specialist where his responsibilities included purchasing, supply chain, logistics and marketing. He has a total of 25 years' experience in the electrical industry, many of which were spent in the wholesale sector. His previous roles have involved working for Denmans and BDC where he progressed through the business to become a branch manager before becoming manager of the company's distribution centre.

Managing director of GreenBrook, Richard Shaw comments: "Steve's role is pivotal to the success of our purchasing strategy and product strategy. The addition of Steve to our commercial team will bring new skills and in depth knowledge that will help enable us to implement our ambitious commercial strategy. Steve is well known in the industry and has a wealth of experience that will help us to accelerate our growth plans"
