

ABOUT

The Magcom Tracer allows you to locate the rod end when concealed inside walls, conduit, flooring etc. This is particularly useful when locating obstructions. Screw the Super Magnet onto a rod and feed it roughly into position. Sweep the area with the compass and the needle will reverse when it passes the magnet.

APPLICATION

- Locate

SPECIFICATION

Product Name	Magcom Tracer
Item Code	CRMC
Length	N/A
Attachments	N/A

CONTENTS

- 1 x Double Magnet
- 1 x Compass
